

# 2025 ExCEL Scholar Award Competition

An invitation to apply from Montefiore Einstein Comprehensive Cancer Center's Excellence in Career Enrichment Leadership (ExCEL) Committee

We are excited to announce the 2025 ExCEL Scholar Award competition, inviting postdoctoral researchers from across the country to present at a research symposium hosted by the Montefiore Einstein Comprehensive Cancer Center (MECCC) in the Bronx, at Albert Einstein College of Medicine.

Awardees will present their work in one of MECCC's core research program areas:

- *Tumor Microenvironment and Metastasis*
- *Stem Cell and Cancer Biology*
- *Cancer Therapeutics*
- *Cancer Epidemiology, Prevention & Control*

We strongly encourage women and candidates from historically underrepresented groups to apply. Applicants at research labs in the United States are eligible (excluding current Albert Einstein College of Medicine postdoctoral fellows).

Application requirements include contact info, CV, research summary, letter of recommendation, area of core MECCC Research Program interest.

## BENEFITS
