PENN POSTDOCTORAL OPPORTUNITIES IN RESEARCH AND TEACHING

CALL FOR APPLICATIONS FOR FALL 2025 | DUE FEB 17

PennPORT is an NIH-funded postdoctoral training program that combines biomedical research at the University of Pennsylvania with a mentored teaching experience at our partner minority-serving institutions

WHAT DO FELLOWS DO DURING THE THREE-YEAR PROGRAM?

- Conduct cutting edge biomedical research at Penn and affiliated institutions
- Take a semester-long course in modern pedagogical practice
- Teach two courses at partner minority-serving institutions
- Take part in a rich series of career development programs
- Attend conferences and network with IRACDA scholars from around the nation
- Play a leadership role in academic and diversity programming

WHO IS ELIGIBLE?

- Eligibility is restricted to US Citizens and Permanent Residents within 2 years of receiving their doctoral degree
- Individuals from underrepresented or economically disadvantaged groups and individuals with disabilities are encouraged to apply

QUESTIONS?
