Prof. Dr. Georg Schett
Vice President Research
Chair of Internal Medicine III
FAU - Friedrich Alexander Universität,
Erlangen-Nurnberg, Germany

Prof. Dr. Georg Schett studied medicine at the University of Innsbruck in Austria, where he completed his doctoral degree in 1994. Prof. Schett's scientific expertise is in demand all over the world. In 2009, he was a visiting professor at UCSD (San Diego, CA, USA), in 2012 at the University of Xian and University of Guangzhou (China), in 2014 at the Hospital of Special Surgery (NYC, USA), and at NYU (NYC, USA) in 2018. He is a member of the DFG review board, a reviewer for several academic societies and journals, and has collaborated on organizing a large number of international congresses. Since his appointment at FAU, he has maintained close links with an ever-growing number of national and international collaborations on joint projects with institutions such as the VIB in Ghent, Belgium, the Karolinska Institute in Stockholm, Sweden, and the Kennedy Institute of Rheumatology in Oxford, UK. Professor Schett has been Vice President since 1 April 2021.
