

WILMOT SHARED RESOURCES

Lunch and Learn Seminar Series

Biostatistics and Bioinformatics Seminar presented by Derick Peterson, PhD, and Matt McCall, PhD, Co-Directors of the Biostatistics and Bioinformatics Shared Resource

April 9th from 12–1 pm ■ K-307 Auditorium (Room 3-6408)

Scan QR code to register

This will be a recurring seminar held on the second Tuesday of the month.

Questions?

Email Tracie McGinnity, PhD
at tracie_mcginnity@urmc.rochester.edu

Attendees will learn:

- What services the Biostatistics and Bioinformatics Shared Resource (BBSR) offers and how to access them
- How to design efficient and powerful studies using the BBSR
- How the BBSR has supported research projects and clinical trials

All students, technicians, post-docs, and PIs are encouraged to attend!

Lunches will be provided!
